

Dulles Greenway Petition Lower Greenway Tolls!

Dear Friends,

Over the years many of you have expressed frustration with the increasing toll rates on the Dulles Greenway. Currently, the SCC is conducting an investigation into the increased tolls as a result of a complaint filed by Delegate David Ramadan (87th - R) on January 16, 2013. Specifically, they are investigating whether or not the toll rates are causing traffic to divert from the Greenway on to other roads.

To help the SCC hear from the public, an online petition was created and sponsored by Delegate Ramadan. Please take this opportunity to sign the petition by going to www.LowerGreenwayTolls.com to push for lower tolls on the Greenway. VA Code specifies that rates "shall be set at a level which is reasonable to the user in relationship to the benefit obtained; which will not materially discourage use of the roadway to the public; and which will provide the operator no more than a reasonable return as determined by the Commission."

Delegate Ramadan will be submitting a list to the SCC of all the names of the individuals who joined the petition. However, please plan to attend one of the hearings below to testify in person about your experience and the need to lower tolls on the Greenway.

At this time, the SCC is holding public hearings on the following dates:

- **June 6th in Sterling** at the Park View High School (400 W. Laurel Avenue) at 4pm and 7pm.
- **July 18th in Richmond** at the SCC (1300 East Main Street) at 10am.

Anyone interested in submitting written comments to the SCC directly may do so by 7/9/2013 via mail or online:

Mr. Joel Peck, Clerk

Case Number: PUE-2013-00011

State Corporation Commission
c/o Document Control Center
P.O. Box 2118
Richmond, VA 23218-2118
